Dear Ms. Fredericks and Mr. Lucero,

Thank you so much for your generous donation of carpet tile, with the retail value of \$300, to the David Specter Shalom House Food Pantry operated as The Storehouse Annex. This carpet tile will help make the Annex a more comfortable place for the people who work there distributing food on a weekly basis.

The Food Pantry at Shalom House has been providing nutritional assistance to the residents of Shalom House and many other senior, individuals and families since 1999. It operated as the only food bank in the North East Height for decades.

The Storehouse Annex is currently operated entirely by volunteers, whose commitment to help those struggling with hunger issues is an inspiration to all. The Board of the Jewish Community Housing Corporation is delighted to support this endeavor by providing the housing for the Annex.

Again, many thanks for your thoughtful generosity.

Sincerely,

Judy Basen Weinreb

President of the Board of Directors
